Re: Nice Rack Campaign

Dear Rustin,

It's not often that I get to write a letter like this one! You are such a supporter of The Central and South Jersey Affiliate of Susan G. Komen® and we want you to know how very much we appreciate your support. Since you started the "Nice Rack" Campaign, you have donated over \$50,000 to our affiliate. Words alone cannot express how grateful we are for your continued support and I want to thank you for designating our Affiliate as the recipient of your very generous gift.

Susan G. Komen is the world's largest and most progressive grassroots network of breast cancer survivors and activists, the only grassroots organization fighting to cure breast cancer at every stage, from the causes to the cures and the pain and anxiety of every moment in between.

The Komen Central and South Jersey Affiliate is committed to increasing screening mammography in order to save lives through early breast cancer detection. Twenty-five percent of the Affiliate proceeds support innovative national breast cancer research programs, while the remaining 75% supports local programs. In 2016, Komen CSNJ granted \$1 Million including over \$750,000 to fund ten community programs and \$300,000 for national research initiatives. Spread throughout the Affiliate's 13-county service area, the community programs will reach over 10,000 individuals with breast health education and will provide mammography screening to over 4,000. The research investment supports cutting-edge breast cancer research led by 60 leading scientists and advocates. Susan G. Komen has been a global leader in the fight against breast cancer since 1982, investing more than \$889 million in over 2400 research grants and 450 clinical trials.

We are deeply appreciative of your generosity and look forward to our continued partnership. Thank you for your support.

Sincerely,
