

QUALITY CARRIERS
Custom Designs - Built to Last
North America's Glass Rack Leader!

FORD TRANSIT GLASS RACK

Carrier mounted on either or both sides of vehicle

2-inch wide padding runs entire length of horizontal slats

Top of rack mounts to optional roof rack or full-length channel

Three T6-Adjust-A-Poles with five fully-adjustable black neoprene cleats

Rubber padding from top to bottom of vertical posts

Splash panel protects glass from water and debris

Strong 1/8-inch thick 6061 T6 aluminum posts and slats

Optional removable wheel skirt for easy tire changes

Padded, removable bolt-on front stop

Usable 5-inch glass support ledge with rubber block pads

Dual pole settings on ledge for securing glass of varying thickness

Upgrade to Premium T6-Super-Poles

Supertruck System 2 scissor-style cleats adjust forward, backward and to any position up or down the pole

Galvanized, load bearing under-body mounts support rack and reduce vehicle wear

Superior Fabrication with Huck® Aircraft-Grade Mechanical Fasteners

Won't crack like welded aluminum or loosen from vibration
